

Guidance Counselling Services

Dear Parents/Guardians,

Guidance Counselling services are available. Please inform the Dean if you need help. Issues related study, loss/death, behaviour etc. We can arrange for your son (or yourself) to meet with guidance counsellor. (Monday and Friday). If the matter is highly confidential, email guidancecounsellor@stmarys.edu.tt

We also have therapy services, 2 days a week. This is a paid service requiring parental consent. Sessions \$300. These sessions also deal with issues like Learning Issues and evaluations, anxiety, grief, behaviour, death. Despite the cost of this service please reach out if you have an issue.

Lastly, do encourage your sons to speak out and let someone know if they are having difficulty. Regards,

S. Narine

Dean of Discipline and Academic Studies (Ag.)
